SOMEWHERE OUT THERE

Somewhere out there,
beneath the pale moonlight,
someone's thinking of me and loving me tonight.

Somewhere out there,
someone's saying a prayer,
that we'll find one another in that big somewhere out there.

And even though I know how very far apart we are,
it helps to think we might be wishing on the same bright star.

And when the night wind starts to sing a lonesome lullaby,
it helps to think we're sleeping underneath the same big sky.

Somewhere out there,
if love can see us through,
then we'll be together, somewhere out there,
out where dreams come true.

And even though I know how very far apart we are,
it helps to think we might be wishing on the same bright star.

And when the night wind starts to sing a lonesome lullaby,
it helps to think we're sleeping underneath the same big sky.

**Somewhere out there,
if love can see us through,
then we'll be together, somewhere out there,
out where dreams come true.**
